Foreword

The staff of the '54 White Pine has attempted to recapture through pictures and short writings the highlights of the year. We sincerely hope that this book will help to make your thoughts of this year more lasting and memorable.

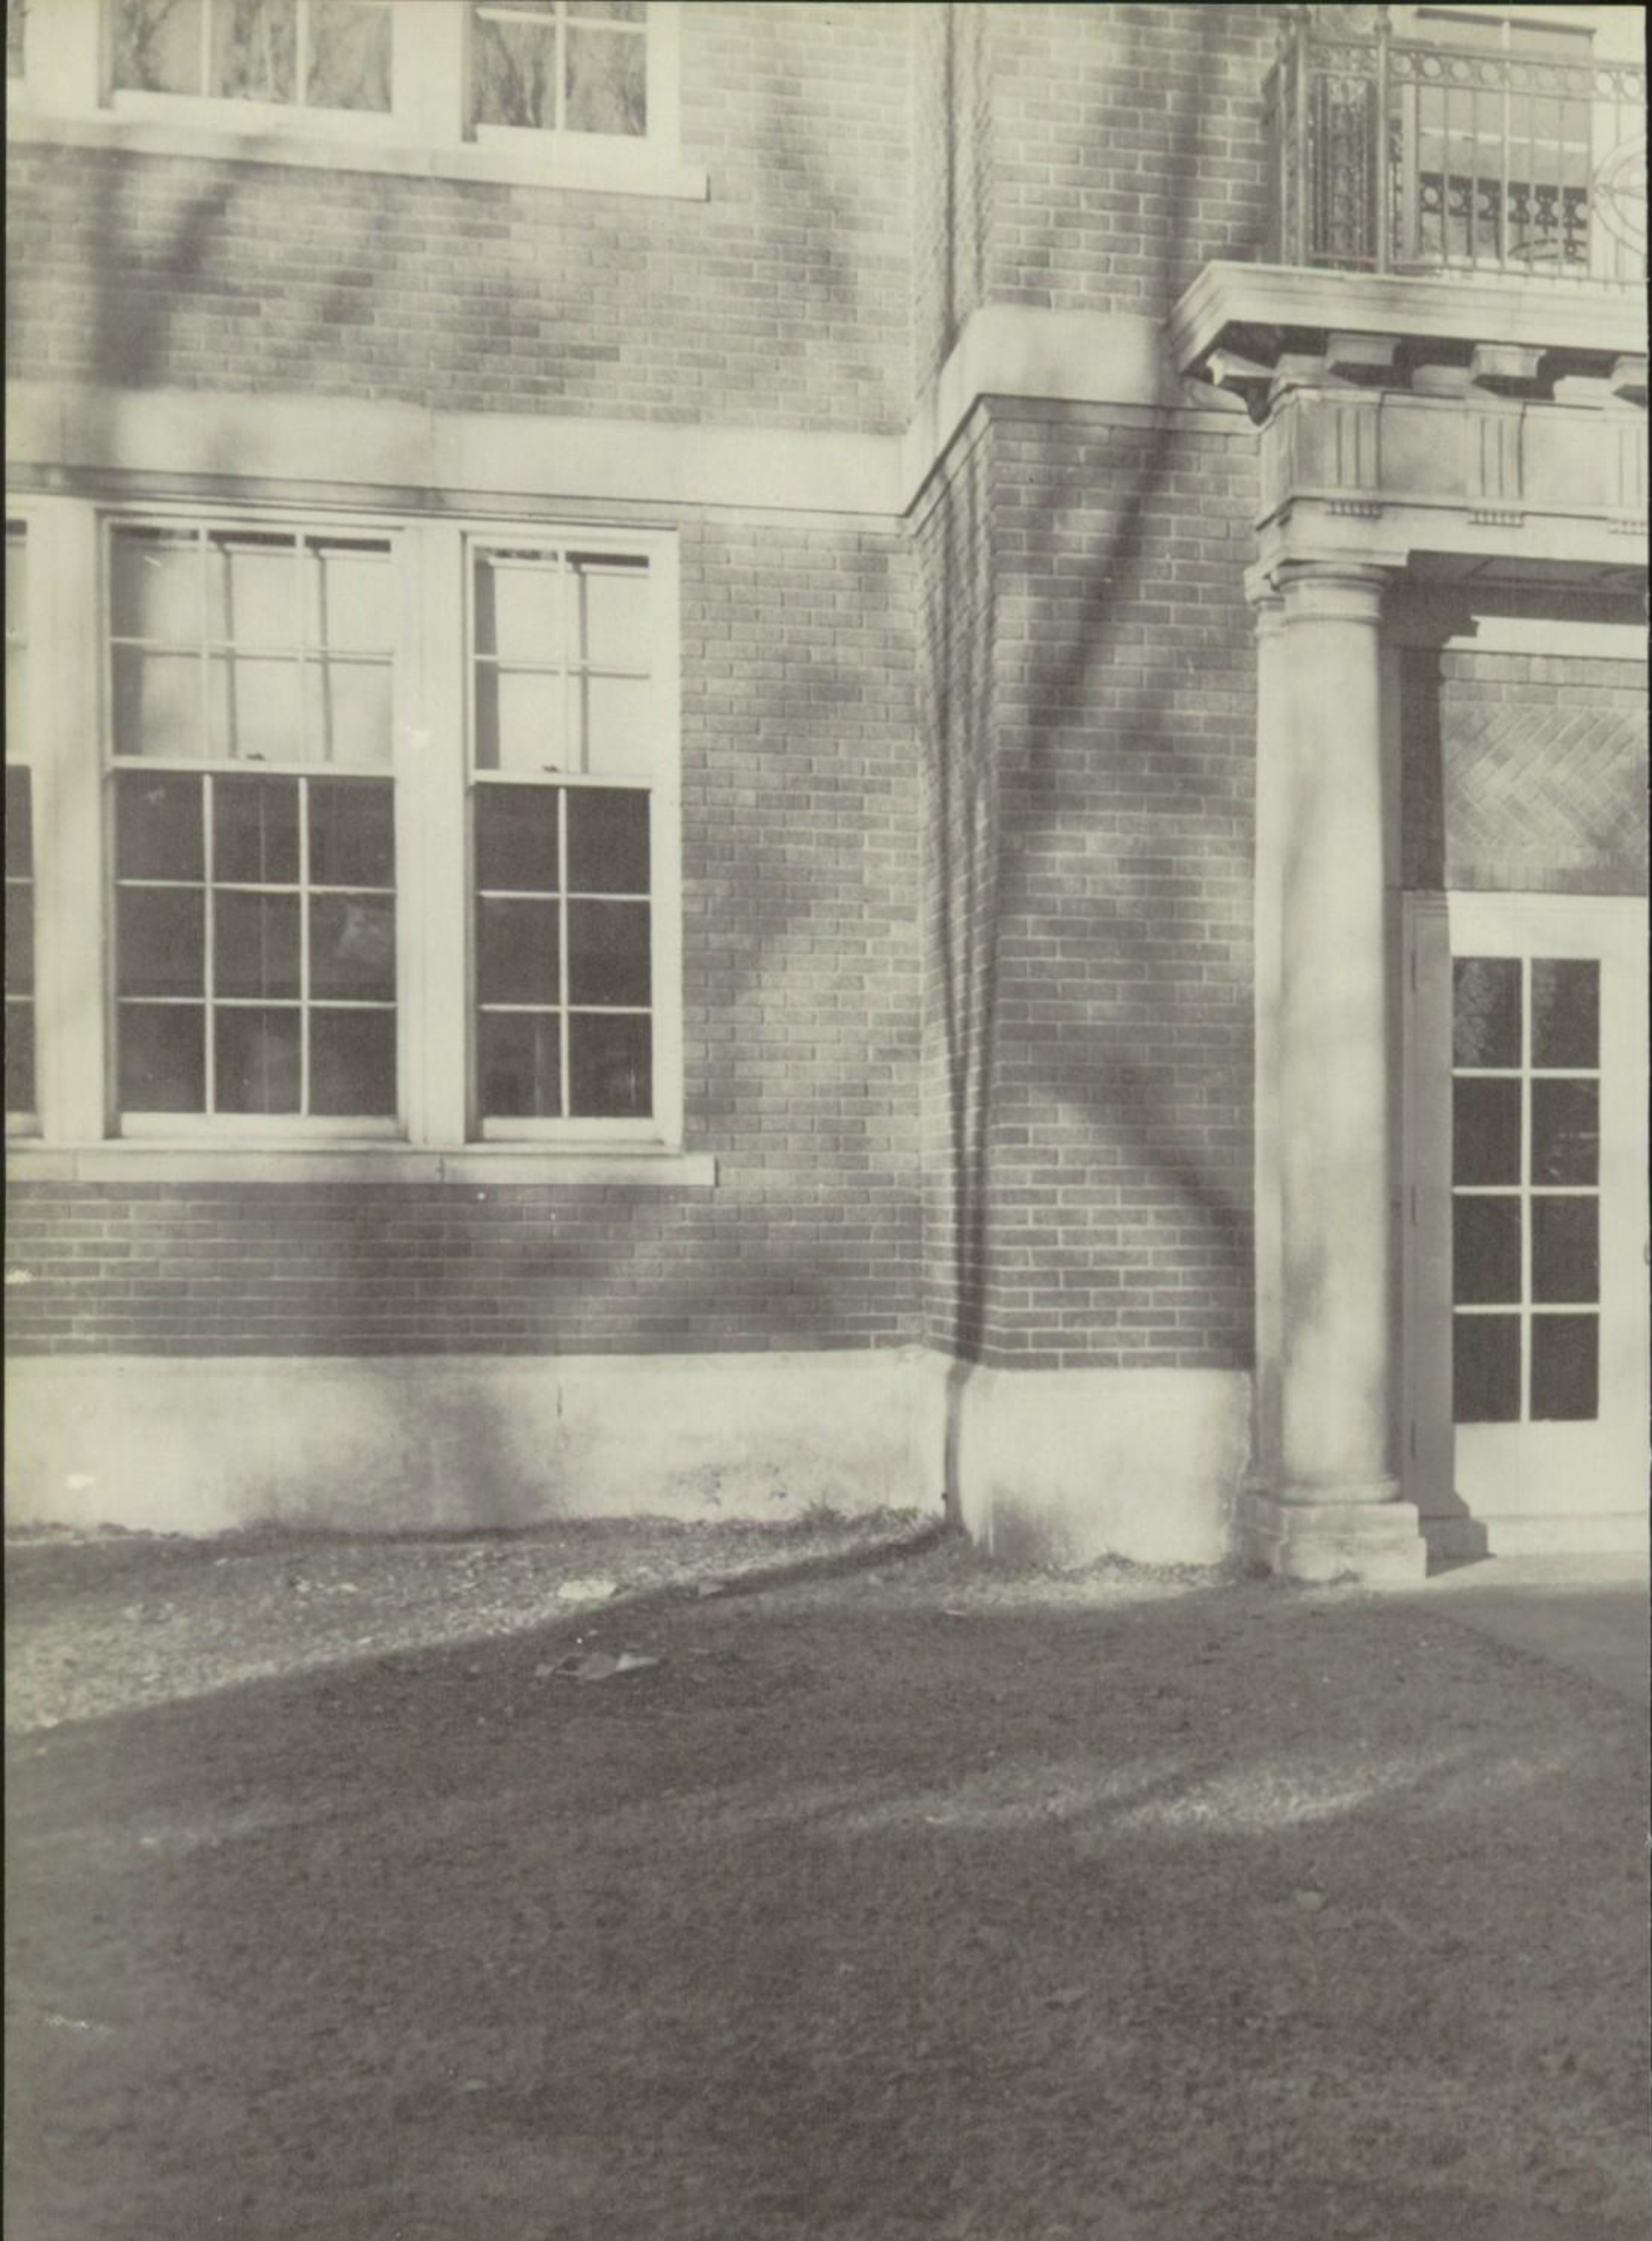

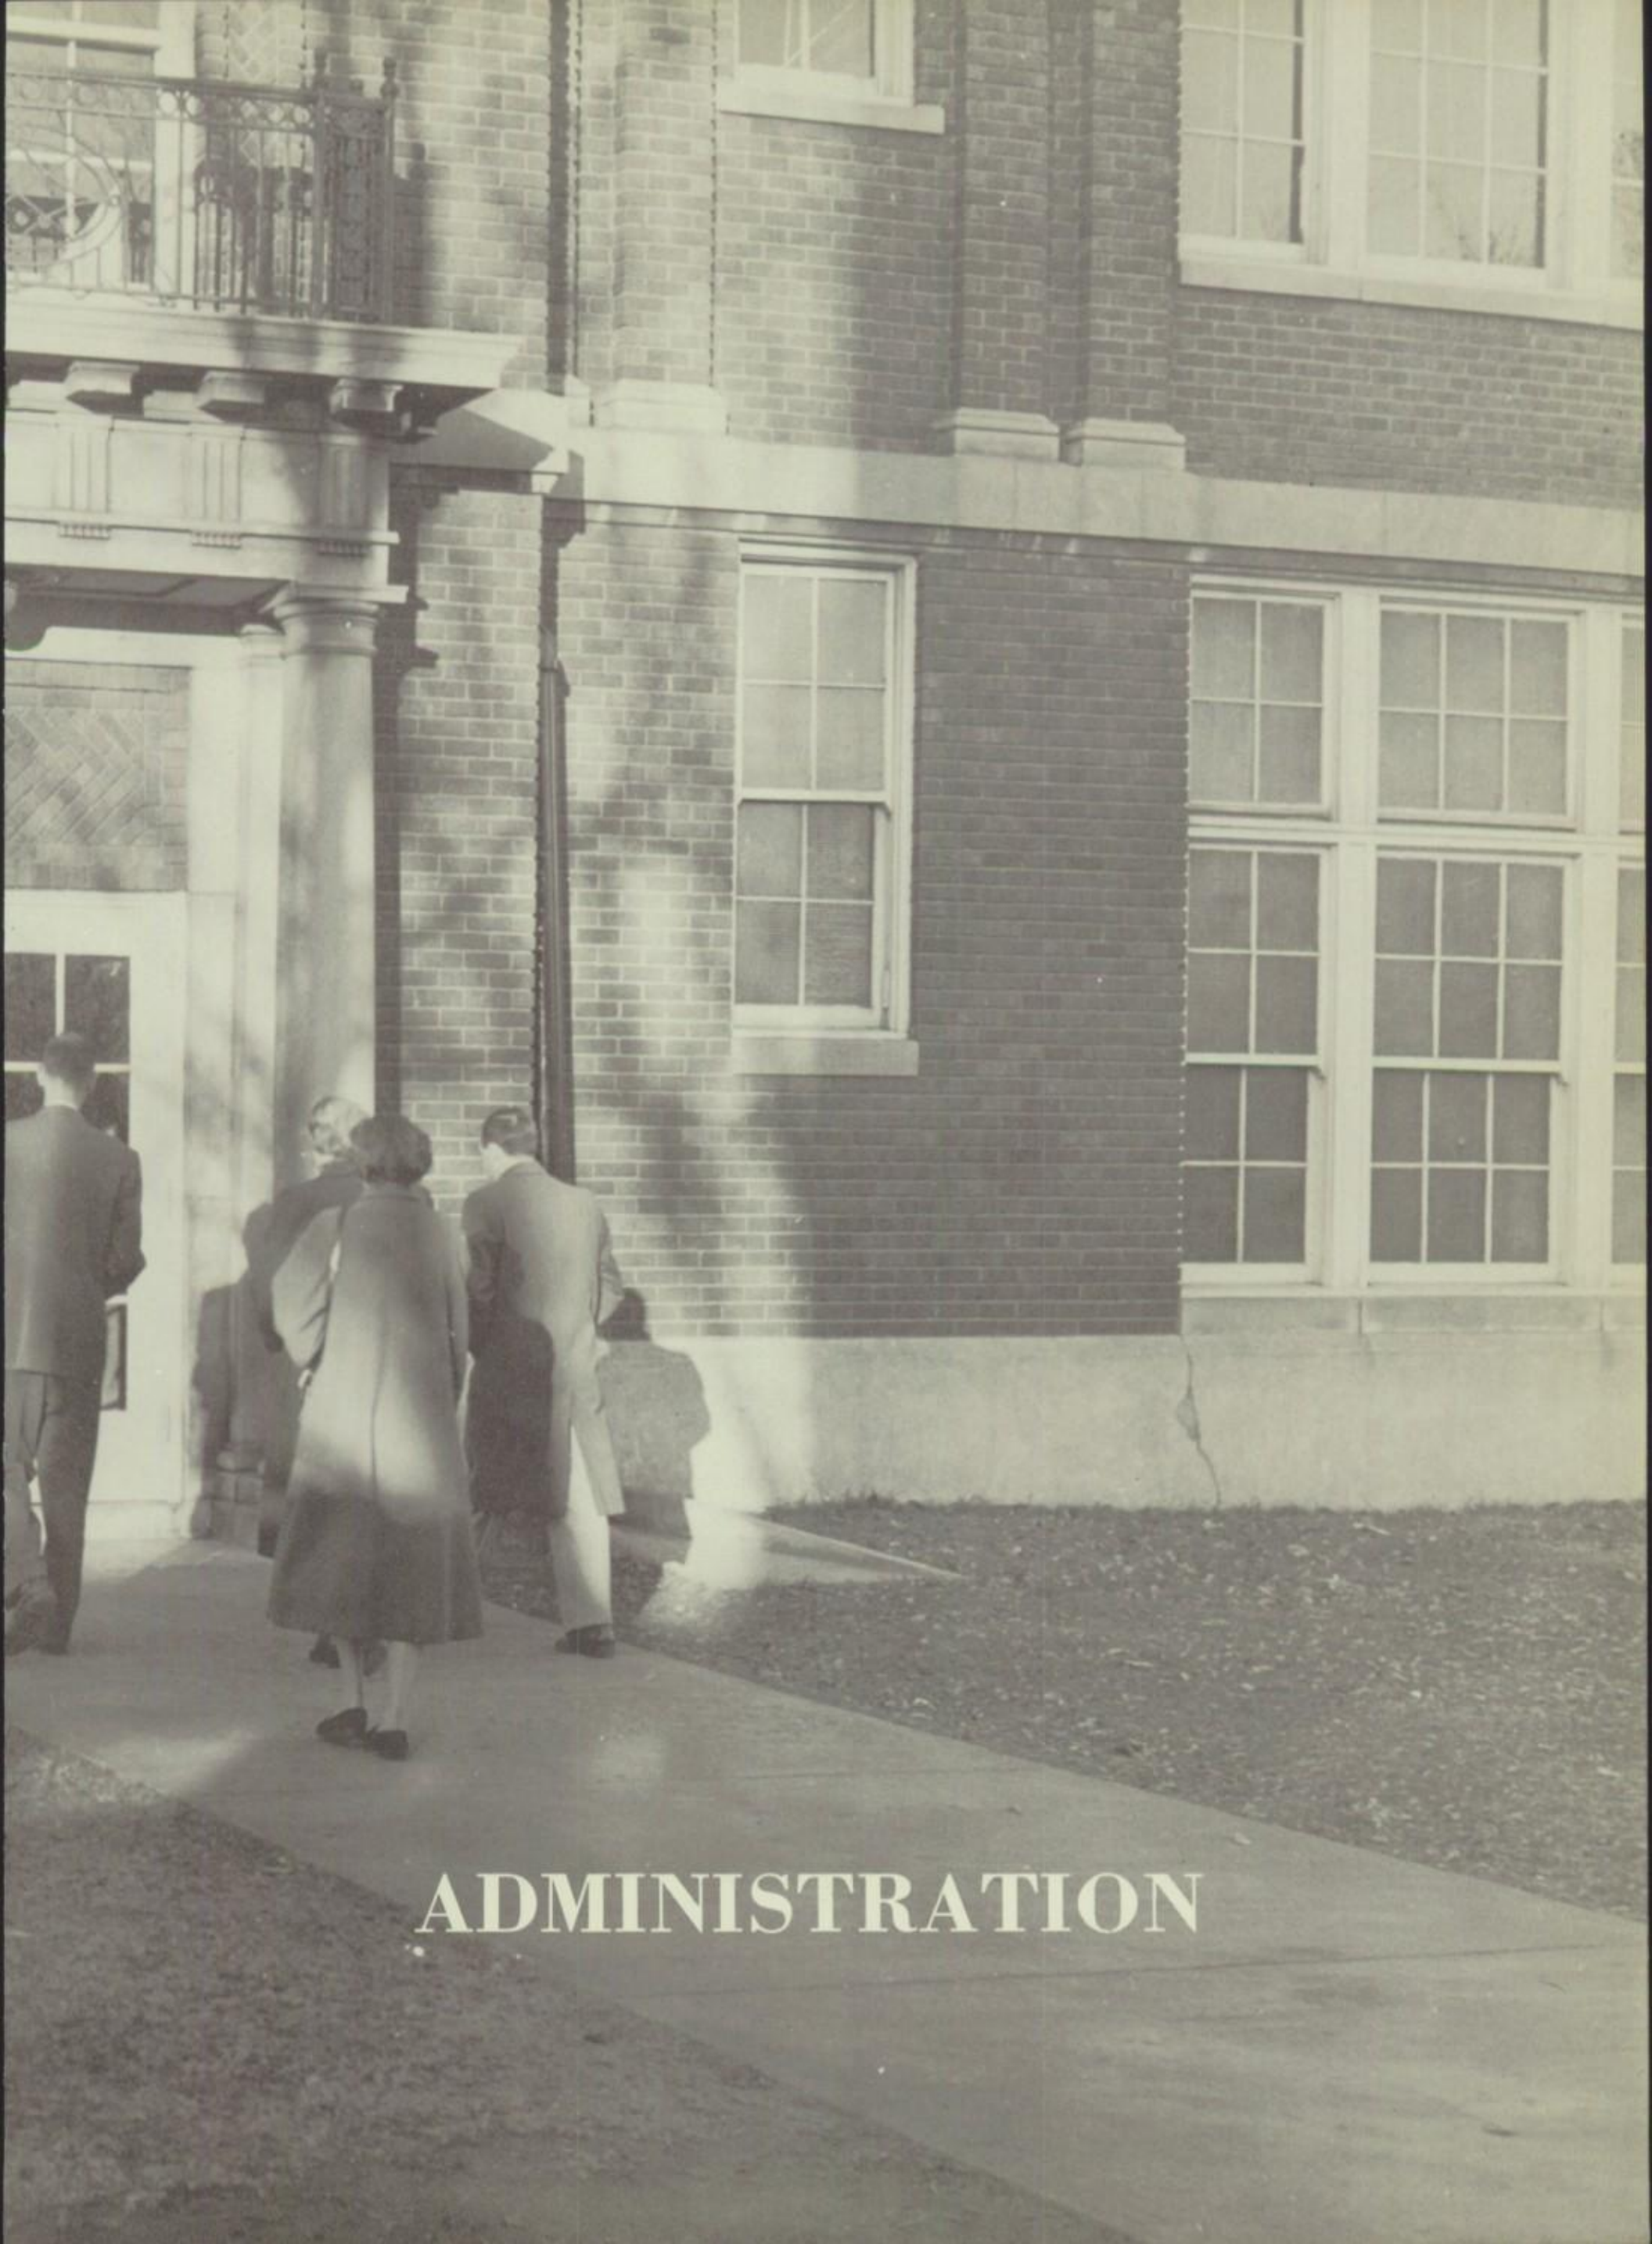

DEDICATION

For his devoted service to youth, his sincere efforts as a teacher and his untiring work as coach, the staff of the White Pine proudly dedicates this book to Mr. Angelo Pergol.

A perfectionist in all he does, his energy as a teacher shows up in his General Business class, and as a coach on the basketball court, the baseball diamond, the tennis court, and the golf fairways.

His contagious smile, his sportsmanship, and quiet but diligent manner will long be fondly remembered by the senior class of 1954.

ACTIVITIES

The Cast — Nelson Frets, Dick Schneider, Larry Geissler, Bill Erickson, Paul Larson, Jerry Olson, Miss Lauterbach, Pat Letty, Joyce Niemi, Joan Campbell, Marge Nelson.

SENIOR CLASS PLAY

"CHARLEY'S AUNT"

One of the year's many events for the seniors was their presentation of the world famous play CHARLEY'S AUNT.

The plot centered around two Oxford University students, Charley and Jack, who ask a fellow student to pose as Charley's aunt and help them in their love making. Mr. Spettigue and Sir Francis added to the confusion by proposing to the supposed aunt. The problem grew when the real aunt arrived.

Backstage work was complicated by 1890 costumes and a change of scene for the second act.

The junior high and senior high matinees and the final evening performances of this play ably directed by Miss Lauterbach were highly praised by many people making the many hours of rehearsal and committee work seem more worth the effort.

Our director — Miss Lauterbach

PINE NEEDLE

Keeping the students and faculty of Cloquet High informed about happenings around the school is the first and foremost duty of the Pine Needle staff, and they carried out this objective well in the every-three-week appearance of the school's paper. With Mr. Gillespie as the staff's capable advisor, and Margaret McGregor as editor, the Pine Needle maintained its fine record among Minnesota high school newspapers. As the staff members look back on this, the twenty-ninth year of publication, they well may view with pride its many successes.

The finished product—Staffers get theirs first.

Columnists — Sally, Janice, Paul, and Peggy.

Proofers — Marge, Germaine, and Joan.

"Now hear this" — Meg assigns stories to Shirley, Kathleen, Marion, Kay, Mary Jane, Rae, Martha, and Caroline.

Seniors — David, Joyce, Clarice, and Jean.

Sophs in 210 — Mary, Karen, Nancy, Ardis, Janet, and Suzanne.

Stephanie Server, Editor; Mr. Gillespie, Adviser.

WHITE PINE

A memory album of our Senior year, our last year, is the annual we have put forth with our hearts deep in it. The work included in a yearbook, as such, is endless but much worth the effort when we as graduates are able to look back and recall vivid memories of our participation in school life. It is a completed assurance that we will keep the strong bond of friendship between our classmates and the accomplishments we have achieved.

We have overcome burdensome effort under the leadership of Stephanie Server, editor; Diane Koivisto, circulation manager; and Jean Anderson, advertising manager; by having completed the goal we have been striving toward; an attractive, well-organized book which is a part of us.

Credit given where is due, applies to Mr. Gillespie, our adviser and expert photographer, who greatly helped make this book a success.

Diane Koivisto, Business Manager; Jean Anderson, Advertising Manager.

Typists — Renee, Jean, Sandra, Mona, and Joyce. Kibitzing, Meg.

STUDENT OPERATORS

A group which had made noon hours pleasant is the student operators. Directed by Mr. Lake, they have run noontime movies every Tuesday and Friday.

Besides they run projectors, recorders, and phonographs for the faculty. One of their responsibilities is keeping our growing supply of audio-visual equipment in good working order.

Brain Trust — Dick, Mr. Lake, and Walfie.

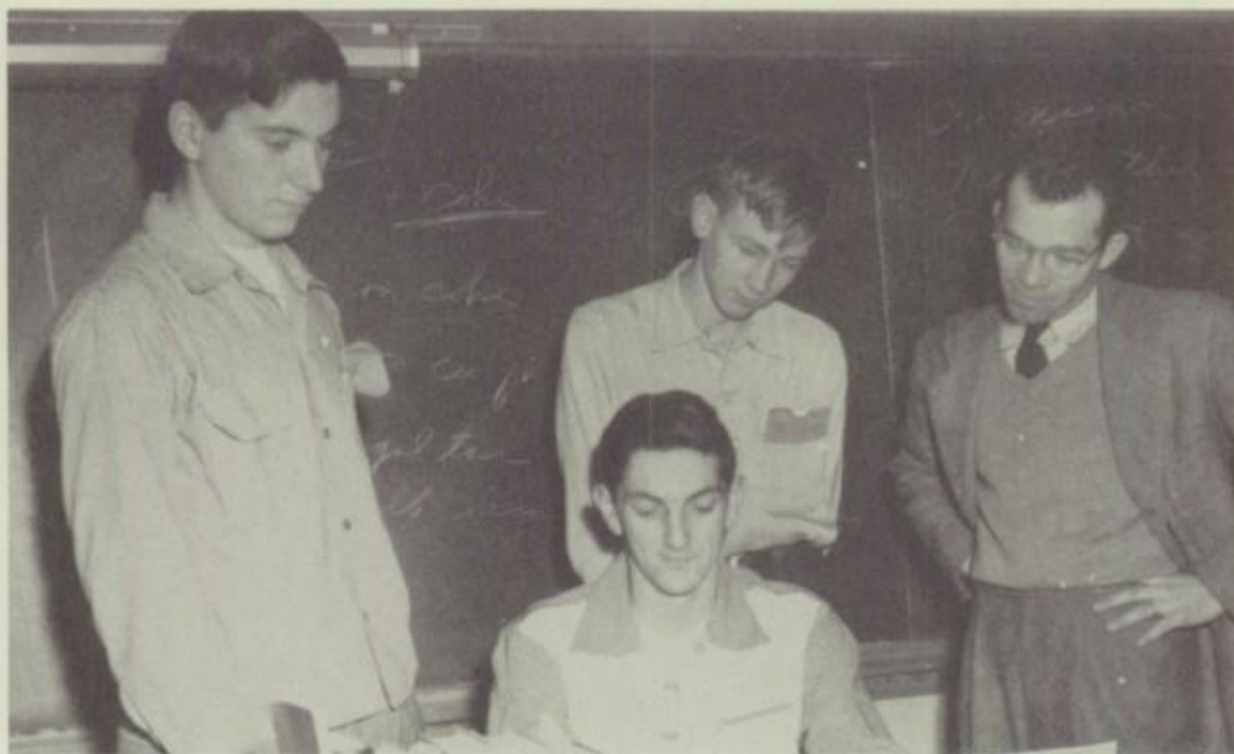

Balcony Scene — Don, David, Jack, and Tom.

Playback — Bob, Leroy, Murnice, and Ronald.

Equipment Check — James, Ray, Bob, and Norman.

Officers — Walfie, Treasurer; Forest, President; Ted, Vice President; Mr. Dolan, Adviser.

PHOTO CLUB

The Photo Club has as its goal the making of better pictures. Meetings are held on taking, developing, and printing with emphasis on each member's doing his own work.

Big project this year was the printing and selling of basketball pictures. Mr. Dolan is head adviser assisted by Mr. Gillespie.

Composition Class — Buzzy, Dick, Larry, and Tom.

"This is a Dollina" — Ione, Terry, Frank, John, and Louise.

Germaine Kolodge, Head Majorette.

Highsteppers: Lola Gross, Diane Mattson, Lucille Zechoski, Delores Isaacson, Marlene Bystrom.

"Here come the high steppers!" The sparkling versatility of their skillful routines and clever maneuvers are definitely an asset to our school. With their poise and self-assurance, accompanied with the leadership of Germaine Kolodge, these majorettes displayed their twirling talents at special events, such as the Homecoming, where they formed the traditional arch for the King and Queen and their attendants. A special honor was extended them when they were invited, with the band, to attend the Chicago Music Festival. Throughout the summer they participated in many parades, adding color and zest to many prize winning performances by the band.

MAJORETTES

Bookworms — J. Johanson, J. Kangas, J. Hanhela.

Bookkeepers — S. Holmi, Miss Kennedy, D. Paananen.

LIBRARY CADETS

Assistant librarians should be the title of the library cadets who help Miss Kennedy in all the tasks of running a busy school library. Cataloguing, mending, and finding books keep these girls busy during their hourly stints in the library.

A service group, the library cadets deserve the thanks of every pupil and teacher.

FUTURE TEACHERS OF AMERICA

One of the clubs of C.H.S. with a vocational twist is the Future Teachers of America, an organization to encourage students to enter the teaching profession. Throughout the year, the group engaged in many worthwhile projects; toys were provided for needy children, some students worked at the various grade schools, and the group collected many college bulletins containing valuable information about the teaching courses as offered by the various schools.

Front: J. Seppala, M. Bonneville, M. Vnuk, C. Hill, C. Golen, K. Ulvi. Back: A. Skutevik, N. Leno, S. Hansen, P. Terio, K. Oswell, S. Pollack, J. Osborne, K. Joseph, Miss Sullivan.

The officers of the club are Dick Schneider, President; Nancy Lumppio, Vice President; JoAnn Peterson, Secretary; Marian Maata, Recording Secretary; and LeRoy Koskela, Treasurer.

SCIENCE CLUB

The Science Club has been one of the most active organizations in school during the past year. The club consists of juniors and seniors who are taking sciences. Under the leadership of Mr. Fezler they have accomplished very much in the first year of the organization. Included in their many activities were several tours made to The Wood Conversion Company, St. Luke's Hospital, The Northwest Paper Company, and this spring they took an excursion to the Oliver Iron Mines. Among their ways of making money was a pancake supper, a rummage sale and several bake sales.

USHERS

The ushers serve at every occasion when the public is invited to our school. These smartly dressed young men perform a multitude of services from mopping the gym floor at basketball games to arranging for seating at commencement.

Few groups in this book give so much and receive so little thanks as the ushers.

THESPIANS

Students chosen to be Thespians are given this honor because they have rendered exceptional service in the dramatic field. Whether working on the various committees, assisting backstage, or actually taking a part in the play, these people have contributed time, effort and talent to make our high school productions successful.

On May 1, 1954 our Thespian troupe traveled to Ely and attended a state-wide Thespian convention commemorating the 25th Anniversary of the National Thespian Society. Here, they presented a one-act play, "The Madwoman of Chaillot", which won 1st place among the four others presented by various area schools represented. Miss Lauterbach is the adviser of the local troupe.

Act well your part.

Officers: L. Geissler, J. Myrmel, W. Harnish, Miss Lauterbach, Advisor; D. Schneider.

TRI-HI-Y

The Tri-Hi-Y is the only girls' organization in the school which combines religion along with educational, social, and service activities. This year the group, working with the Hi-Y, sponsored the annual Lenten services. They also sponsored two candidates for the Model Legislature and fixed a Thanksgiving basket for a needy Cloquet family. One of the outstanding activities of the year was the impressive candlelight induction of the officers held with the Hi-Y at the Zion Lutheran Church, the guest speaker being Rev. Sage.

HI-Y

The Hi-Y, guided by the motto, "To create, maintain, and extend throughout the home, school, and community high standards of Christian character", sponsored many worthwhile projects this year. But service projects, which the Hi-Y and Tri-Hi-Y co-sponsored were only a part of the Hi-Y program. They also held game nights, Sunlight dances, and basketball games with other clubs.

The campaign to elect delegates to the Model Legislature also was partially backed by the Hi-Y club. With Mr. Leussler as their adviser, this club has proved to be valuable to both the school and its members.

FUTURE HOMEMAKERS OF AMERICA

"Toward New Horizons" is the motto of the F.H.A., a club composed of girls taking home training. Programs alternating between social and business meetings kept the girls busy during the school year.

FUTURE FARMERS OF AMERICA

The Cloquet Chapter of the F.F.A. has completed another successful year under the leadership of Millard Olson, vocational agriculture instructor. Among the successes of the Cloquet group were the winning the sweepstakes for safety in the contest sponsored by the educational division of the Minnesota State Fair. Coincidentally, the three members of this team were all elected officers of their district organization — Gerry Nelson, president; Dick Watson, secretary; and Roland Okerstrom, reporter.

Again this spring Cloquet won top honors in the state when the forestry judging team of Leslie Hubbell, Dick Watson, and Arnold

Crops.

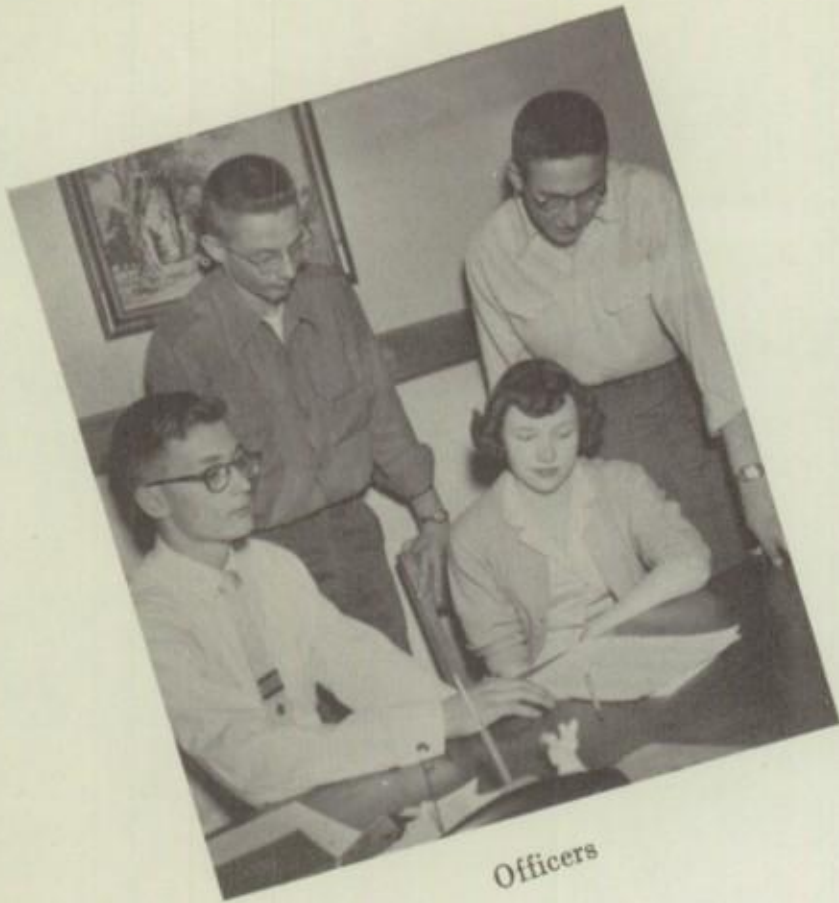

Ahlgren were ranked first at the state convention in St. Paul. Other trips were to Grand Rapids, Lake Arrowhead, and Meadowlands. The F.F.A. has been quietly and efficiently bringing honors to our school.

STUDENT COUNCIL

As the representative body of the students, the student council, composed of representatives from grades 7-12, carried out many worthwhile projects during the past year. The highlight of the year was the annual magazine drive; the students again reached and surpassed their goal. Another worthwhile project was the renovation of the lawn, which included the reseeding of the lawn and the planting of shrubbery. This year the capable advisors of the council were Miss Lauterbach and Mr. Gillespie.

SPEAKER'S BUREAU

The Speaker's Bureau is made up of junior and senior students interested in becoming better-qualified speakers. This group met as a regular class during the year, studying and practicing speech techniques to become the well-experienced speakers they are.

Advised by Miss Lauterbach, these students introduced convocations and pep fests, and served

as Masters of Ceremonies at various occasions throughout the year. Every member of the Speaker's Bureau was heard over WKLK on special radio broadcasts during Education Week. They also participated in speech meets, either as a contestant or a chairman.

With service as its main objective, this organization has done much for our school.

BAND

A championship unit in both concert and marching work, during the past year the C.H.S. band again added many laurels to its already outstanding record. The organization placed 1st in the Minneapolis Aquatennial Day Parade for the third consecutive year, thus gaining permanent possession of the championship flag. The highlight of the year came when the band placed third in Class C competition at the Chicagoland Music Festival. The organization also participated in all

local parades as well as the St. Paul Winter Carnival parade where they took 1st place. The unit presented an outstanding and original show at the football homecoming and the District 26 basketball tournament. In concert work the band again won high acclaim at the District 26 Music Festival, after which the annual spring concert was presented; another fine performance directed by Mr. Sampson.

ORCHESTRA

Although the orchestra makes only three appearances during the school year, the finesse and skill with which they perform is evidence of the many rehearsals which they have attended. At the District Music Festival Cloquet's group constantly wins high ratings. They have thrilled the audience

at the spring concert; and for the seniors, their crowning contribution is the music they play at commencement.

Under the talented baton of Mr. Sampson, the orchestra has steadily improved until they have reached their present championship class.

EXTRA CURRICULAR SPEECH

Students in Extra-Curricular Speech were coached by Miss Lauterbach and ably represented Cloquet High at various speech meets in this area. The speakers attended invitational speech meets at Greenway and Denfeld early in the season, and many of them attended the N. F. L. meet in St. Cloud. At the end of the season they participated in the District 26 speech contest at Denfeld and were hosts for the regional meet which was held in our school.

These students, by participating in various events such as this, gain more poise and self-confidence and have an opportunity to meet many new friends and fellow speakers.

DEBATE

Meeting some of the strongest competition in the area at every meet they attended, this year's debate team had a successful record in many respects, although in actual wins and losses, they experienced some disappointment. As this year's team was fairly large, the debaters gained valuable experience by working with many different partners at the meets they attended, among which were the Cloquet Invitational, the N.F.L., the Gustavus Adolphus, and the various invitational meets held at the Duluth schools.

The Choir

A CAPPELLA CHOIR

The A Cappella Choir composed of over sixty members under the direction of Mr. Donald Schroeder and with Caroline Ganter as the accompanist, performed at a number of events this year.

The annual Christmas concert was given in December and also the Spring Concert in May.

Other events which they participated in were at Nopeming, Rotary Club, Chamber of Commerce meeting, a Leach School P.T.A. program,

and at the District Music Festival.

One of the highlights of the year were new purple and white choir gowns. These were paid for with earnings from concerts, gifts from the classes of '53 and '54, and a gift from the Student Council.

Their numerous performances displayed the hard work and time they spent in preparing for their deserving recognition at all events.

VOCAL GROUPS

This year Mr. Schroeder selected an honored group of eighth and ninth grade boys and girls to sing as a unit. They performed at the spring concert and some of them sang at the Christmas concert. From these singers the A Cappella choir will draw its future members.

One of the most popular singing groups in

Cloquet during the past year was the boys' quartet. These boys specialized in spirituals and novelty numbers.

Another small group of talented singers was the ninth grade quartet. They were in demand at P.T.A. and church meetings as well as singing in the Christmas concert.

DRAMATICS CLUB

Students in grades 7 to 12 who are interested in the dramatic arts are members of the Dramatics Club. Through demonstrations and group projects and studies, the members learn about the various phases of play production and acting.

Under the direction of Miss Lauterbach, the Dramatics Club presented three one-act plays to the public on February 24, 1954. The club members also had an opportunity to see professional acting when they traveled to the Duluth Playhouse to attend a performance of the comedy "Yes M'Lord."

Because of the size of the organization, the Dramatics Club was divided into class groups, each group working together at its various projects and duties. Instead of electing officers, each class group elected one person to represent them on a council which made up the governing body of the club.

With the guidance of Mr. Chinnock and the cooperation of businesses in Cloquet, our vocational program is made possible.

The students receive training and experience in actual shop and business routines. They are supervised and helped by skilled trainers.

When school is out, these students have enough experience and training to continue in their work. They leave school with more efficiency, skill, and knowledge of the world of work.

NATIONAL FORENSIC LEAGUE

To gain entrance into the National Forensic League, an honorary speech organization, a student must earn twenty points through participation in various speech activities. The first degree, that of merit, is gained with twenty points, the degree of honor with fifty points, the degree of excellence with one hundred points, and the

degree of distinction with two hundred points. Many members participated in this year's N.F.L. tournament at St. Cloud, but the highlight of the year was the annual banquet which included the induction of new members.

The junior class play "Green Valley" provided a challenge to the eleventh grade with its unique outdoor setting and large, varied cast. The juniors rose to the occasion and performed with skill and confidence this charming comedy.

Set in the valley, the plot provided an opportunity for residents, past as well as present, to air their problems and struggle for happiness. Outstanding performances were recorded on both evenings.

FOOTBALL

Cloquet's 1953 football eleven had a very successful season winning four games out of a tough eight game schedule. Because of the number of talented seniors on the squad, Coach "Chic" Oist used a new system to select captains. Before each game two seniors were picked to act as co-captains and at the season's end Nelson Frets and Dave Nyholm were elected to represent the team throughout the year at special events.

The Lumberjacks showed a deceptive offensive attack coupled with a good defense to make this a team respected by all opponents. Not enough credit can be given to their aggressive, hard-charging line which had a big hand in every victory.

Two of the best games of the season were with Duluth Denfeld and Aitkin. The always powerful Hunters edged the scrappy Cloquet team by pushing over a touchdown in the closing seconds of the game. Aitkin felt the bite of the Lumberjack axe when they fell in the Homecoming game by a score of 13 to 0.

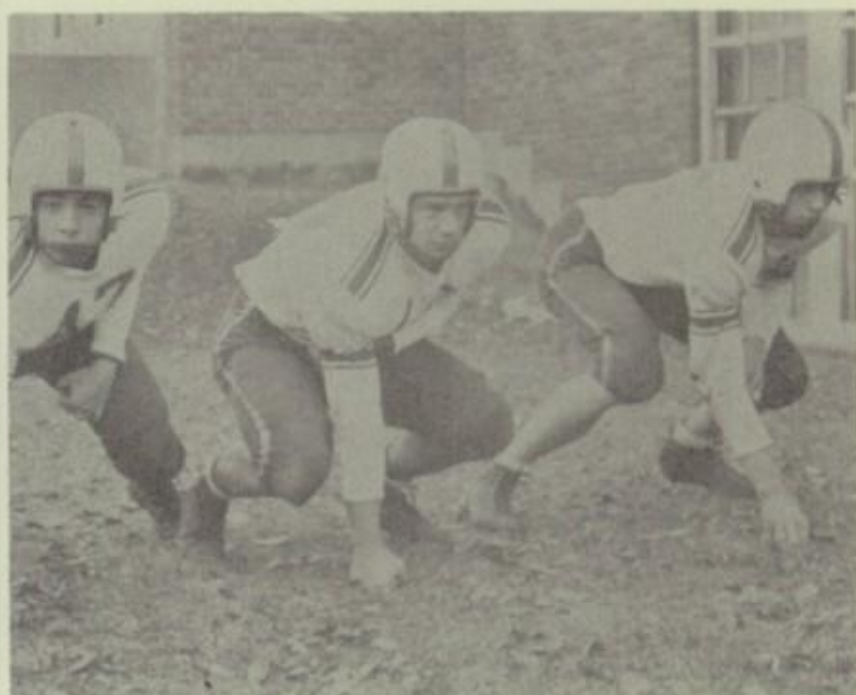

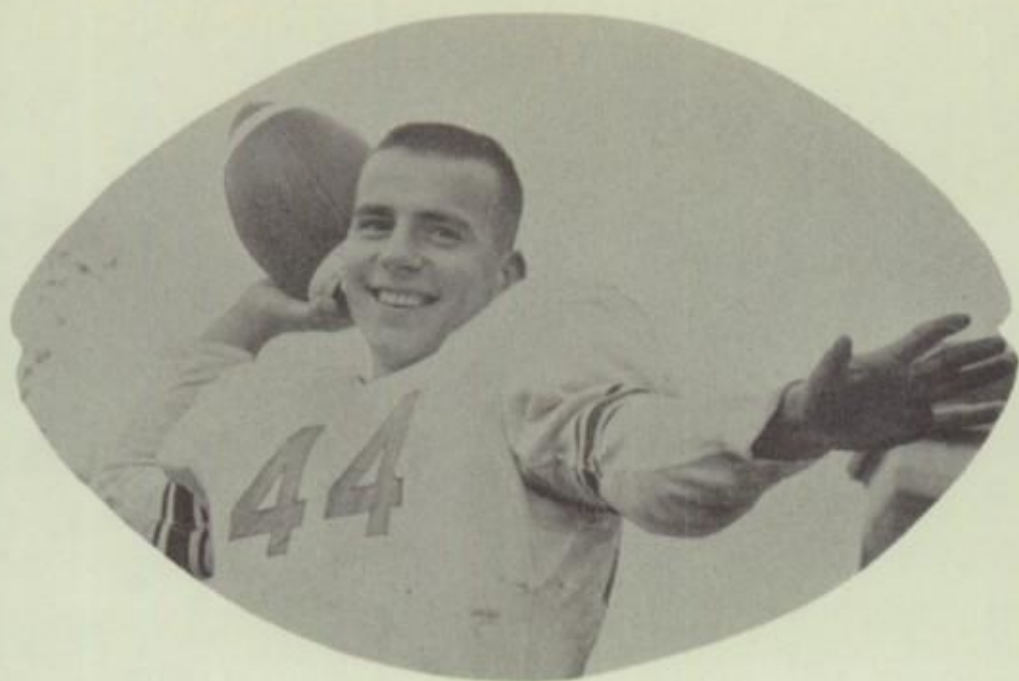

Determination and the will to win made this a team that the coaches, players, and school can be proud to remember.

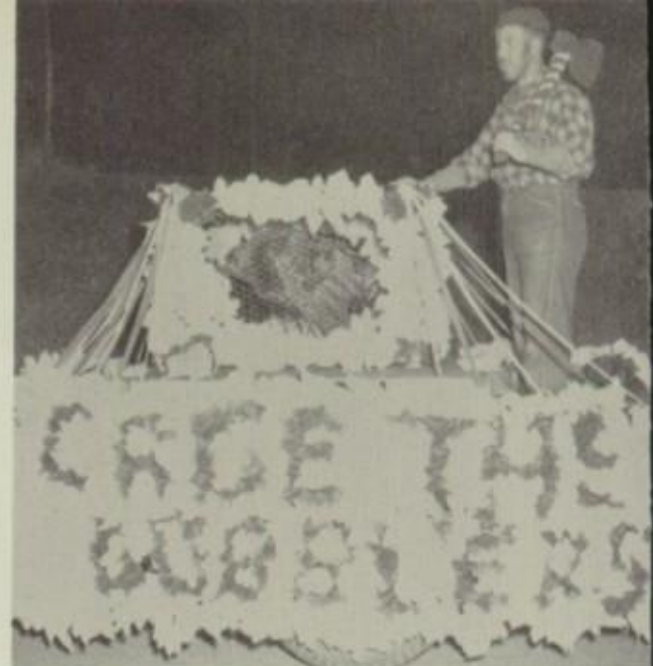

Co-Captains: D. Nyholm, N. Frets, and Coach Chick Oist.

Coach Chick Oist, Mr. Johnson, D. Hebert.

BASKETBALL

Even though the 1953-54 edition of the Lumberjack cagers averaged only 5' 9", Coach Pergol fashioned them into a poised, smooth-operating quintet which finished the season with the outstanding record of 13 wins and 5 losses.

The 'Jacks made history in December by defeating — for the first time in six years — a tall Duluth Central team 39 to 23. Another high point in the season was the homecoming game. With first place in the Big Seven Conference at stake, the Cloquet squad put on a full court press to pull out a victory by 47 to 38. A late season slump kept the Lumberjacks out of first place but they set a precedent by finishing second in the Big Seven and third in the Head of the Lakes Conference.

In the district tournament the Jacks defeated Two Harbors in the first round but were upset by the district champion Duluth Central Trojans and their 6' 8" center, who scored 38 points.

The Lumberjacks combined the will to win with a great desire to play the game to compile a perfect record in home games. This is truly a team that Cloquet can be proud of, on and off the court.

1954 HOMECOMING

Queen Marketta and Attendants

From the opening Pep Fest on Thursday morning until the band played "Good Night Sweethearts" at the dance Saturday night, our All Athletic Homecoming was a memorable three days. After Ken Joseph was named king, he adopted the role of a detective and finally made his choice, Marketta Aijala, from the eight candidates.

The Friday pep fest had staying power for the team took care of the Denfeld Hunters and went into the conference lead exactly as Janice Myrmel's Homecoming Button predicted.

In beautiful ceremonies, held this year between the B. and A. games, the coronation was completed. Athletic team captains escorted the candidates through darkened gym down a spotlighted path to the throne where the 1953 royalty, King Terry White and Queen Carol Juola, placed crowns on Ken and Marketta.

The regal music of the band, the charm of the crown bearers, the attentive audience, and the flawless performance set the stage for the singing of the school song. The royal court was escorted to a place of honor to view the game, and the boys proceeded to deliver a victory to their new queen.

A beautifully decorated Civic Center floor, dominated by Paul Bunyan, was the scene of the dance. A large group of happy Homecomers danced until midnight to climax the celebration.

The 1954 edition of Cloquet High School's ski team lived up to its tradition by tying for third place in the state and place another handsome trophy in our trophy case. With only one senior, Eddie Olson, on the team, the skiers placed second in the district and second in the Duluth Invitational besides their state honors.

With the help of the Student Council, the ski team secured lights for after dark practice on the Leach Hill. In addition, many boys on the jumping squad assisted with a new slide on Highway 33.

This year marked Cloquet High Schools hockey team's seventh year in competition. This sport, with the help of the boys on the team, has come a long way since 1946 when it was started here.

The team, sparked by Captain Wendell Fahl-

strom and coached by Mr. Bodin, experienced an outstanding season with three wins, four losses, and two ties. The entire school is proud of its hockey team for their long and hard hours of practice, their fighting spirit, and fine display of sportsmanship.

Despite the handicaps of a short season the defending champion Cloquet golf team took second place in the district tournament last year.

The prospects for the coming season are somewhat dimmed by the loss of three veterans, but the Jacks, led by captain Douglas Dreschsler, are a threat to any team. Several matches will be played with area teams before the district tournament. These boys deserve a lot of credit for they have taught themselves to play golf and under Mr. Pergol have kept this sport alive in Cloquet High School.

"A" SQUAD CHEERLEADERS

The Spirited cheerleaders of Cloquet High School have completed another year of putting pep, enthusiasm, and sportsmanship into our student body. Under the direction of Miss Nenadich, the girls worked out a routine of vigorous training and practice which maintained the high standard set for Lumberjack rooter queens.

Smartly dressed in new purple and white outfits, the girls led cheers at every football, basketball and hockey game.

Highlights of the year, besides the actual cheering were their sponsorship of the Holiday Ball and their trips to the Minnesota Football Homecoming and the state basketball tourney.

The Girls Athletic Association, better known to most as G.A.A., is a club designed for those girls who have more than enough energy to keep them going. Participants in the organization range from freshmen to seniors; there being approximately seventy members, most of whom are sophomores and juniors. Highlights of the year included the trampoline, the Women Faculty basketball game, and the U.M.D. Playday. Much of the success of the organization goes to their capable adviser, Miss Mary Nenadich.

Although the Pep Club still has as its major function the vocal support of our athletic teams, it has begun to play a greater role in the social and charitable activities of this school and community.

This group of enthusiastic girls sponsored and made a success the Pigskin Rally — the highlight was the parade. At Christmas time the Holiday Ball was planned with the cheerleaders, and its success will insure its becoming an annual dance.

An impressive and successful Homecoming with Queen Marketta and King Ken reigning over the exciting activities, including a win over Denfeld, was the big event of the basketball season.

The Heart Hop on February 13 with proceeds to go to the Heart Fund was an excursion into community service.

Visiting fans at Cloquet this year were made to feel at home by the large "Welcome" signs made and erected by the Pep Club. To top off the cage season, the Pep Club honored the parents of the basketball team at halftime of the Morgan Park game and served lunch in the cafeteria after the game.

BASEBALL

1954 was a building year for Cloquet High School in baseball. A disappointment was a loss to the strong Duluth East Greyhounds in the opener of the district play offs, but because all are returning except for hard hitting Captain Ken Joseph, Jim Gallagher, and Dave DePoe, much brighter years are ahead.

TENNIS

The highlight of the 1954 tennis season was the upset victory in the District tournament over a favored Duluth East team. Although it was definitely a team victory, several individuals stood out in the competition. The girls doubles combination of Captain Jean Anderson and Sally Strand, won their title for the third straight year, setting an unbeatable record. Bill Erickson and Ken Joseph were runners-up in the boys doubles and Captain Jerry Olson took runner-up honors in the singles. Jerry also was runner-up in regional competition and made a very fine record by advancing to the second round in the state tournament before being defeated. This has been an excellent year for tennis in Cloquet and although three fourths of the team will graduate, Coach Pergol has high hopes for the future.

TRACK

After a slow start, the Cloquet High School track team showed their true merit by winning the District 26 track meet with an upset victory. Although the Jacks didn't hit their stride until the season's end, they finished fourth in the important Big Seven meet.

Consistant winners for the Jacks were co-captain Arnold Ahlgren in the broad jump, co-captain Daryl Hebert in the hurdles, John Sullivan in the 440, and Nelson Frets and Robert Bakka in the pole vault. Outstanding thinclads returning next year are Gordy Ellis in the hurdles and 220 yard dash, Dick Barnes in the 880, and Dave Dube in the shot put. While retaining the district team championship, the Lumberjacks also qualified 12 performers for the Region Seven tournament where Cloquet finished sixth in a field of 36 schools.

Convocation

Thursday night, June 10, 1954, 11:00 p.m.
The graduates have gone with their friends and relatives. The auditorium is empty. Caps and gowns are thrown on the seats, the floor is littered with ferns and rose stems, a few wrappings from last minute gifts lie here and there. On the stage is the box the roses came in, one sad rose left.

Tomorrow is another day, next fall another class, another book.
